BY TELEGRAPH.

SATURDAY AFTERNOON'S REPORT ILLINOIS STATE PRISON DESTROYED BY FIRE. ALTON, III., Aug. 14.

About eight o'clock last evening a fire broke out in the work shop of the State Prisons. Two work shops, dining ball, chapel, hospital and three other buildings were consumed. A large amount of finished work was also consumed. Three firemen were injured, but not dangerously. Several attempts were made by prisoners to entipe, none, however, succeeding. Loss estimated at \$30,000—fully insured in Eastern offices. Origin of fire unknown.

HORRIBLE MURDER

GOSHEN, Orange Co., N. Y., Aug. 14.
Last night at about half past nine o'clock our village was alarmed by the intelligence that a most diabolical double murder had been committed at the house of Chas. Reeve, in Ramptonburg, about two nilles from here on the N. wburg road. Some twenty of our citizen: immediately repaired to the scene, where they learned the following particulars: HORRIBLE MURDER

lars:
Mr. Reeve and his family were absent from home leaving their house in charge of three servants, named William Sanders, Peter Shorch and Marganamed William Sanders, Feter Snoven and Sanders ret Vrealy.

It seems that Peter and Margaret were to be married next week, and they had been passing the evening together in the room of the latter. At about 8 o'clock, just as he was leaving Margaret's room. Peter was met at the door by William, who deliberately and without a word passing between either, shot him directly through the right nipple. Peter, turning back, opened the door through which he had passed, and fell dead through the threshold.

which he had passed, and fell dead through the threshold.

The murderer then rushing into the room over the dead body of the first victim shot Margaret thro. The the left breast, the ball passing out behind, jout below the shoulder blade. She turned and jumped out of the open window to the ground, some twent, feet or more, and managed to crawithrough the jurden and sichard nearly a quarter of a mile to the house of Mr. Case, who immediately gave the about 17th marderer has not yet been arrested or even seen since, but the whole country is aroosed gind searching for him. The woman is still alive, he'd cannot survive but a few hours longer.

THE YELLOW FEVER.

CHARLESTON, S. C., Aug. 14. There have been several deaths from yellow fe-ver, but the physicians assert the non-existence of the epidemic.

Crops reported very fine-health of Santa Fee good and business reviving.

The Narajoe Indians killed a negro belonging to Maj. Brook at Fort Defiance and refused to deliver up the condeter.

SATURDAY NIGHT'S REPORT. PROM NEW YORK.

New York, Aug. 14. The following is the gener. I plan adopted by the Joint Committee of the Comm. In Council for celebrating the successful laying of the Atlantic Telebration graph Cable :1st. On the receipt of the reply of the President

Ist. On the receipt of the reply of the President of the United States to the message of the Majesty Queen Victoria, one hundred guns to be fired in front of the City Hall, and national salutes at the Bettery and Central Park.

2d. On the ere of the day upon which the messages are transmitted, the City Hall, and poblic buildings to be illuminated, accompanied by a display of fire works in front of the City Hall, with music by Dodworth's band.

3d. Numerous bonfires to be lighted along the North and East Rivers, and in the public squares of the city.

North and hast to be a considered and the city.

The Joint Committee earnestly request that during the firing from the Park, all the church bells in the city be rung, and the ringing continued for one hour, and that in the evening, citizens in the vicinity of the Park will illuminate their build inc.

ings.
On the arrival of the Ningara, a salute of 100 guns will be fired from the Battery and Park, and national salutes are expected to be fired from Fort Hamilton, Governor's Island, and the Navy Yard,

ate addresses will be made and testimonials pre-sented to Mr. Field, Capt. In door of the Niagara, and Capt. Dayman of the Gorgon, also an address to the Telegraph Co upany.

The ceremonies at the Crystal Pa see will be

The ceremonies at the Crystal Pa. the vari-commenced by the vo.tal performance by the vari-ous musical societies of "Achieved is the g. rious work," and close with the daxology, "Praise Go." &c. to the tune of Old Hundred.

&c., to the tune of Old himstred.

After each address, appropriate music will be performed by the instrumental bands, and an ode and chorus will be sung by the societies.

At the conclusion of the caremonies, the author ities and guests will be escorted from the Crystal Palace to the City Hall, by the firemen, in torchligat procession, together with such societies as may choose to co-operate.

Appropriate transparencies will be placed on the gates of the Park, through which the procession will pass, and also upon the City Hall, with a display of fire works in front of that building.

(a) the day subsequent to the reception and pa-Son the day subsequent to the reception and parade, Mr. Field, together with Capt. Hedson of the Ningara and Capt. Dayman of the Gorgon will be received by the authorities at the Governor's nooms, where they can receive the congratulations of the citizens from 1 to 2 o'clock P. M.

In the expanse of the same day, a manicipal dis-

In the evening of the same day, a municipal din-ner will be given at some place to be hereafter selected.

It is intended that these festivities shall take place simultaneously with those of London and other cities throughout Europe, and it is respectfully requested that the citiens throughout the U. States and the British American Colonies will ar-

range to celebrate this great event on the same By order of the Committee. THOS. McSPEDON, Chairman. C. P. McClenachan, Sec'y.

FROM PHILADELPHIA PHILADELPHIA, Aug. 14. The Mayor has issued a proclamation that on the receipt of the first despatch over the Atlantic Telegraph a salute of 100 guns be fired, and recom-mending to the citizens that the tells be rung and flags displayed with other demonstrations, this is the first official notice of the enterprise taken here.

PROM CHARLESTON. CHARLESTON, S. C., Aug. 14. The Steamiship Catawha from Havana and Key wat the 10th inst. has arrived.

DR. WOOD-Deer Ser. Permit me to express to you the shippelene I am under for the entire restoration of my hat to its original color. About the time of my arrival in the United Sutes, it was repully become an gray, but upon the application of your "HAIR HESTORATIVE." It soon recovered as original him. I consider your Restorative as wonderful invention, quite edirect one as we do in a serves the land, dear str. yours inty.

S. THALBERIO. "Daven a's Gwylledyncy," Welsh Newscaper, Office, Il Nussau street, April 12, 1866. Page O I Woom. Dear bir Some muster of April 11, 196.

Page To I Woom. Dear bir Some muster or air week age, I received a bettin of your Hair Restorative, and grait to my wrife, who concluded to the firm of head, in the initial at the time land, it would rescore the gray hair its original color and to be raid my margine, other a few weeks that the performabilith would rule offset by tarting the land performabilith would rule offset by tarting many the works the hower, it files same time in the land of the few many that the land of the few many that the land of the few many that of the few many that the few many that

New York, July 25, 1881.

PROF. O. J. Woods—With confidence do i recommend you that Restorative, as being the most efficacions article I even now. Since thing jour Halt Redwardre, up hair and whith kers, which were almost white, have studently grown dark and sow if feel confident that a few more applications we restore then to their universal color. It has also releved as of all demonstrating manner and applications of all demonstrating as common amon persons who paragine fewely.

J. G. KILBY.
